

The Presbyterian Church building of Effingham being too small to accommodate all who meet to worship, making it necessary to enlarge the old or build a new house, and it being ascertained that the house now used with the lots enclosed with it can be sold for the sum of Five hundred dollars and that other lots can be bought and a new, substantial plain Church building built - painted and completed with seats sufficient to accommodate from 250 to 300 persons for the sum of \$1200 dollars, being seven hundred dollars over and above the amount which can be obtained from the sale of the old house and lots, Therefore we the undersigned agree to pay to the Trustees of the said Presbyterian Church on or before the first day of June 1881 the sums set opposite our respective names for the purpose of procuring the lots - building and completing said new Church. Provided subscriptions sufficient in amount be obtained to accomplish the object.
